PARTNERING WITH PARENTS: Parents/Guardians are the primary spiritual influencers of their children. The goal of the church is to support and encourage parents through prayer, conversations, equipping, and investing in the lives of their children.

SPIRITUAL EMPHASIS: The Bible is God's amazing story of His love and truth. The truth is that you are a part of this story and God has created you on purpose for a purpose: to know God through relationship with Him and make God known by living for Him every day.
