Extend Ministry Partners of the Month

Sean and Erin Templeton: The Templeton's work for Children Relief International. Working state side they are able to serve a variety of countries around the world. Through CRI Sean and Erin's goal is to meet people's physical needs so they will be receptive to their spiritual needs.

Dave and Sarah Lahoda: The Lahodas live overseas where Dave works with Cru Global. Part of his mission is to work with local churches to help raise up disciples of Christ. It's their vision for "everyone to know someone who truly follows Jesus."

Andrew & Alana Brown work to counsel, care for, and train missionaries who are both preparing for and returning from the field.

Scripture for the Month:

"For just as rain and snow fall from heaven and do not return there without saturating the earth and making it germinate and sprout, and providing seed to sow and food to eat, so my word that comes from my mouth will not return to me empty, but it will accomplish what I please and will prosper in what I send it to do." (Isa 55:10-11)
