MORNING STAR
EV. LUTHERAN CHURCH & SCHOOL

Dear Families of Morning Star,

The School Ministry Board each year reviews our educational ministry here at Morning Star and how best to use the gifts God has given us to carry out that ministry. We truly are blessed with the opportunity to partner with parents to provide a Christian education for their children. It is exciting to see what the Lord is doing here among us.

We continue to pray for our Embrace initiative which includes the potential for future growth and expansion of our school. For the 22-23 school year, we will have K3-6th grade as individual classrooms. **Our K4 program will be an *all day program, Monday through Friday*. A three day option is also available.** 7-8th grade will remain as a combined classroom.

Morning Star Lutheran will participate in the Wisconsin Parental Choice Program (WPCP) for the 2022-2023 school year. Registration takes place between February and April each year. Students entering Pre-K4, Kindergarten, and 1st grade are eligible. Students coming to Morning Star that were previously enrolled at a public school or another choice school are eligible to apply for any grade level

As ministry opportunities arise, and as we grow, so does the level of support needed to provide for our ministry here at Morning Star. As a congregation, we support 75% of the total cost to educate (\$8560) a student. The family pays the remaining 25% (\$2290) through tuition. Please note our Tuition Assistance program is available for families who are in need. Applications are included with the summer registration information.
