

ONE BIG STORY

Reading Plan

Ready to see how every page in the Bible is part of one big story that leads to Jesus? Equipping you to join that journey is the aim of the tool you're holding in your hand. While that journey requires effort, I believe you'll find it worth doing day after day. The effort involved will be in daily engagement through reading, considering, and memorizing Scripture. Guiding you through a yearlong engagement in those habits is a carefully crafted plan that is laid out in the following pages. The plan intermixes the Old and New Testament scriptures while taking you from beginning to end.

A key piece of advice to hold on to in this process is, "Don't play catch up!" If you happen to miss a day, just keep moving forward in the plan. This is important since the larger goal of this tool is establishing the habit of daily engaging with Scripture.

With all that said, may the Lord bless you with rich times in His Word and mold you more and more into the character of His Son Jesus Christ!

Journeying together,
Pastor Jon
