

ONE BIG STORY

New Testament
Reading Plan

Welcome to a journey of seeing and learning from the most important person who ever lived, through the greatest story ever told! It's the story of Jesus Christ and God's redeeming work in the world. With a thoughtful and prayerful approach, this journey could quite literally change your perspective on life, so making time for daily engagement through reading and considering Scripture is an investment that I believe you'll find well worth your time

This Bible reading plan is a tool aimed at holding your hand while you join in this journey with Lakeside Alliance Church as we make our way through The One Big Story sermon series. This portion of that series will take us through the New Testament which is what this reading plan below will cover.

A key piece of advice to hold on to in this process is, "Don't play catch up!" If you happen to miss a day, just keep moving forward in the plan. This is important since the larger goal of this tool is establishing the habit of daily engaging with Scripture.

With all that said, my prayer is that your investment of time spent reading Scripture would be a transformative experience for you. I hope that 90 days from now you will walk away celebrating the choice you made to start and finish this plan. So let's get started!

Journeying together,
Pastor Jon
