### Missions: Pray for believers & missions in Vietnam. Pop: 101,598,527

One of the few communist nations still left in the world. Although it has employed capitalistic economic principles to fuel much recent growth, its people still suffer with continued oppression and increased social problems such as drug addiction, HIV/AIDS, prostitution, and the exploitation of women and children. The deepest spiritual loyalty in Vietnam is to worship of ancestors, even more than to Communism, and even more than to the mixture of Buddhism, Taoism, and Confucianism traditionally practiced by Vietnamese. Some might argue that rapidly emerging materialism is now the greatest passion of most Vietnam. 53% Buddhist; 1.8% Evangelical Chrstn.
