Sundays at 9:30am
Room #105

The gospel means change! "If anyone is in Christ, the old has gone, the new has come" (2 Corinthians 5:17). God gives us the power to overcome habits, hurts, and hang-ups that hold us back and become who God intended us to be. But there are times we need additional assistance to work through old attitudes and beliefs that can cripple marriages, family, relationships, and rob us of being a productive employee. TAKE THE STEP is led by Dr. Mark Richardson who has years of experience in teaching and coaching people to freedom and living a new life.

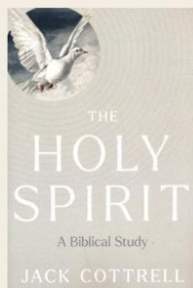

Speaker - Steve Bryant

GriefShare is part of our Take the Step program, offering a 13-week support group for those grieving a loss. In a safe, caring environment, participants learn to navigate the unpredictable journey of grief, discover what's normal, and gain practical tools for healing. If you're ready to take a step toward healing, GriefShare can help you find strength and support as you discover the new life God has for you.
