

Our Children's Ministry is in need of volunteers to serve in all of our classrooms, from Toddler - 5th grade.

Whether you love cuddling babies, playing with energetic little ones, or helping older kids grow in their faith, there's a place for you on our team.

We can't do this without you! Your time, care, and willingness to serve make a lasting impact in the lives of our kids and families.

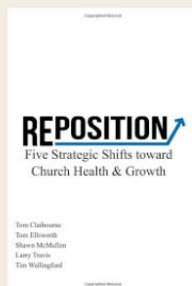

If you're interested in getting involved, please see Candice Liebengood or email her at children@hmccfamily.com.

Speaker - Mark Richardson
Sundays at 9:30am
Room #105

The gospel means change! "If any person is in Christ the old is gone and the new life has come (II Corinthians 5:17). God gives us the power to overcome habits, hurts and hangups that hold us back and become who God intended us to be. But there are times we need additional assistance to work through old attitudes and beliefs that can cripple marriages, family, relationships, and rob us of being a productive employee. **TAKE THE STEP** is led by Dr. Mark Richardson who has years of experience in teaching and coaching people to freedom and living a new life.
