Northeast Georgia Christian Camp's annual Deeper Life retreats have been helping middle and high school students reconnect, worship, learn, and dig deeper into their faith for over 40 years. "Identity"—our Middle School Retreat—is focused on helping students answer three big questions: Who is Jesus? Who am I in Christ? Who are WE in Christ?

Don't let your middle schooler miss out—sign them up today!

Mission Sunday: Sept. 21

During the 9:30 Sunday school hour, in the sanctuary we will host a MISSION FAIR! Tables with our missions and missionaries will be on display, giving each of us the opportunity to get acquainted with our missionary teams that we support financially and partner with on mission trips. Twelve percent of our general offerings go to support missions outside of HMCC.

Homecoming & Fall Fest: September 28

Join us for a special day of celebration at HMCC! Our 10:30am service will launch the festivities with worship and encouragement around our theme: Real Confidence. In a world that feels uncertain, true confidence is found in Christ. After service, enjoy a meal and activities for all ages: dunk tank, bounce houses, petting zoo, cornhole, and more! We're aiming for 200 people to join us. **We're challenging every family to invite 3 families**—let's make this a day to remember!

Kevin and Renee served as missionaries in Simferopol, Ukraine, for sixteen years (1998-2014). While there, they worked with college students from various countries—Malaysia, Nigeria, India, among others—who studied at the medical university in Simferopol. They were forced to leave on March 1, 2014, when Putin invaded Crimea. After returning to the United States, they joined Outreach International (oionline.org). As missionaries, Kevin and Renee travel to churches, colleges and campus ministries to challenge and equip students to live for and share the good news of Jesus across cultures, both here in the U.S. and abroad. Kevin and Renee have four children, all of whom are married, and five grandchildren.

VISIBLE SCARS OF WAR

Some say the scars are invisible. Are they really invisible?

The number of children affected by Putin's invasion is heartbreaking.

How exactly are the children of Ukraine affected?

As Christians, what are we called to do to help address this horrific situation?

Some verses to meditate on:

Matthew 19:14

James 1:27
