APRIL | VOLUME 2026 | ISSUE 3

from pastor john

This year's Lenten journey concludes with Holy Week and then our Easter celebrations arise with Christ's resurrection. I encourage you to keep your eyes peeled for signs of Christ's resurrection power inside you and around you. The early church had their eyes wide open to Creation's witness to the resurrection. May these signs inspire you to see the hope of the resurrection in your world.

The Phoenix legend in church history is associated with rebirth, resurrection, triumph over adversity, and that which rises out of the ashes. Often, as an emblem of Christ, it was found with the palm tree (another symbol of resurrection) or carrying a palm branch (a symbol of triumph over death), or carrying an olive branch (a symbol of God's peace offered to humans). The phoenix also became a favorite symbol on early Christian tombstones.

The Gourd: God caused a gourd to spring up and shade Jonah and deliver him from his grief. The palma christi gourd or castor-oil plant is the gourd of Jonah. It reminds us God raised up Christ on Easter Sunday to take away our sorrow and grief.

The Butterfly: From caterpillar to chrysalis to butterfly, the butterfly symbolizes to Christians the life, death, and resurrection of Jesus Christ. In the Greek language, the word for soul and butterfly are the same (psyche). In western French provinces, there is a beautifully shaped bright yellow butterfly-- and one of its names is the Easter Jesus because it appears right around Easter and is the first butterfly to emerge from the cocoon, just as Christ emerged from the tomb.

The Crane returns every spring. The faithful return of the crane has helped Christians remember the resurrection that

we will one day experience in full because of Jesus Christ. Cranes also eat snakes, so it reminds us that Christ defeated Satan by the cross. There is a legend that the crane keeps itself awake by standing on one foot and holding a stone in the other. When it begins to nod off, the dropping of the stone awakens it. Let's "crane our necks" (we get that saying from the crane), this Easter and always, to be ever alert to Christ's resurrection power and the signs and symbols all around us of the good news that Christ is risen! He is risen indeed!

Grace and Peace,
John

SAPC Flower Team

Have you ever wondered who makes the live flower arrangements which grace our Sunday services?

ANSWER: Volunteers from our congregation! The members of the St. Andrew's Flower Team take turns creating the arrangements for the first Sunday of each month, as well as special

requests for other Sundays and baby bud vases! Team members also created some of the silk arrangements used when there isn't a live arrangement. Would you like to join the team? No previous flower-arranging experience is required ... if you're interested you'll be partnered with a mentor who will step you through the process! If you have questions, feel free to contact Lisa Behr at LKBehr@comcast.net.

Decorate for Easter

Do you love decorating? You're invited to join the Decorating Team as we prepare the Sanctuary and Chapel for Easter on Saturday, April 4, at 8:30 am. Feel free to invite your family and friends to join us! For questions, contact Shelly Akins at joelerinmama@gmail.com.

Service Worship History

SERVICE WORSHIP FROM THE BEGINNING!

St. Andrew's launched its first Service Worship on Sunday, September 29, 2013, bringing our church community together for a morning dedicated to serving others. Instead of gathering for a typical Sunday service, we experienced a "Send-Off Service" before heading out into the community to participate in meaningful service projects.

Service Worship grew out of St. Andrew's deep desire for more hands-on ministry and community service. In early 2012, Session had commissioned an Action Learning Team to discern what new ministry God was calling us to. Service Worship was part of this new vision, which also included church partnerships and a mobile shower outreach.

At that time, our Senior Pastor Jim Toole was instrumental in helping lay the foundation for Service Worship. His 2013 Faith in Action Sermon Series, helped us reflect on what it truly means to be the church out in our world. Jim's vision for St. Andrew's was for us to step

beyond our own walls and serve as a light in our community in new ways. He loved Service Worship because it would launch us out into the community with endless possibilities for connection and sharing the love of Jesus.

Shortly after establishing Service Worship, St. Andrew's added the role of Local Outreach Director, a position faithfully held by RuthAnn Smithrud for the last twelve years. Through many Service Worship events, our church has intentionally sought to be a blessing to others and in doing so, has been richly blessed in return. After participating in Service Worship, many people have shared how much joy they have found in serving, the sense of community it builds, and the presence of the Holy Spirit at work. Through Service Worship projects, St. Andrew's has shared the love of Jesus with countless neighbors, schools, community organizations, and mission partners.

As St. Andrew's looks ahead, we remain committed to putting our faith in action, intentionally serving together by going beyond our walls to share the love of Jesus with our community in tangible, meaningful ways.

Spring 2026 Service Worship

Service Worship Sunday will be April 26! St. Andrew's believes that service is an act of worship, and we are setting aside this day as a congregation to focus on intentionally serving others. We will begin the morning together at 8:30 am on our NE Campus with the dedication of the Toole Prayer Garden, after which everyone will be sent out to serve through projects across our community. Our 7:30 am Communion service will still be offered as usual.

Sign-ups for service worship projects will be available in early April through our website. We have lots of projects to choose from, with various ways to serve, either at church or out in the community.

Please take a look at our sign-up to find the right project for you and your family! There are also a few projects during the week you can consider as well.

Service Worship projects allow us to come together as the church and be a blessing to others as we "serve one another humbly in love" (Galatians 5:13). Most projects are expected to last between 1-2 hours and do not require special training. This year we are offering new Service Worship t-shirts! While shirts are not required for you to participate, we hope that everyone who would like a Service Worship shirt is able to receive one. Please sign-up for your project and put in your shirt request by Sunday, April 19!

Blessing of the Toole Legacy Garden

Please join us as SAPC kicks off our Service Worship on Sunday, April 26, with the Blessing of the Prayer Garden in honor of Rev. Dr. Jim and Rev. Pati Toole in the NE Campus parking lot at 8:30 am. The Prayer Garden will offer a sacred space for healing, prayer, contemplation and spiritual renewal for the congregation and the wider community. It will feature a Ramada to provide a shade structure, a labyrinth, mosaic artwork, benches to sit on and a beautiful view of the Tucson mountains.

The Toole Legacy Fund was formed to honor the life and impact of the Rev. Dr. Jim and Rev. Pati Toole by creating healing spaces that reflect their commitment to God's love and service. Through three key initiatives - a Prayer Garden, a Mosaic Project, and a Mental Health Fund - we aim to foster spiritual wellness, creativity, and mental health support for the community. These projects aim to continue the Toole's legacy of nurturing faith, healing, and connection for generations to come. If you would like to learn more about how you can support these projects please go to: sapctucson.org/toole-legacy-project.

May Diaper Drive: Tucson Refugee Ministry

Please join us during the month of May in collecting children's diapers which are in constant need by refugee families as they struggle to make ends meet. Adult diapers and feminine hygiene products are also needed but the primary need is for children's diapers. A donation bin to collect these products is available in the Gathering Place.

Tucson Refugee Ministry nurtures and empowers refugees to thrive as an integral part of our community. Many refugees have waited in primitive refugee camps for years. After a rigorous selection process, if approved, they are placed around the world to start their new lives. Your donation of diapers and feminine hygiene products will significantly help those families who have been relocated to Tucson.

Tucson Refugee Ministry hosts a free coffee shop on Wednesday and Friday mornings, which is when the refugee families pick up diapers and other necessities. The coffee shop is open to the public and they love to have people visit and socialize with the families. For more information, contact Marianne Hadden at mariannehadden@gmail.com.

Art Gallery News

The Gallery had five very enjoyable shows this past year. There was a good variety of art works hung. The children of the school will hang their art work through the month of April. It is always fun to see how creative the little ones are – and how patient the teachers are with those 'young artists!'

We are looking for new artists who would like to have a show in the gallery. If anyone is interested in having a show, please contact Art and Jo Kramer at lakeco2@gmail.com to learn more. Also, if anyone would like to serve on the Art Committee, they can contact us at the same email address. Thank you!

Please lift them up in prayer and congratulate them as you see them. They will be commissioned on April 19 at the 9:00 am and 10:45 am services.
