DISCUSSION QUESTIONS

1. How does love in Christ differ from how the world commonly understands love?
2. What stands out the most to you in the first three verses? Why would Paul argue that even spiritual gifts mean nothing without love?
3. In verses 4–7, Paul gives us a remarkable definition of love. In your opinion, what is the hardest aspect of love mentioned here for you to help us work on?

MOMENT FOR MISSION

Isaac and Kirstie Bickford have labored in Guinea since 2022. They provide wound care for burns (a common injury in Guinea that disproportionately afflicts children). They are also developing a demonstration farm and training program to improve local food security and reduce malnutrition. Each of these activities demonstrates Jesus' love in practical ways, building relationships, and providing opportunities to share the gospel with those who have never heard it and to disciple the handful of Christians in their village.
