

HOLY SEXUALITY CONFERENCE SCHEDULE

SATURDAY, JANUARY 31, 2026

9-9:50 AM – Testimony, 15min + Sexual Identity, 35min (Christopher)

Personal Testimony - Dr. Christopher Yuan articulates a biblical view of sexuality through the narrative of his personal transformation from an agnostic gay man to a Bible professor. Sexual Identity: False Identity - One of the most important things missed when engaging with our LGB friends is how sexuality has become the core of our being. "Being gay" means "This is who I am." But if this is incorrect, how does the Bible communicate who we are? Dr. Yuan articulates the correct understanding of personhood through the lens of Scripture— particularly, the image of God and the doctrine of sin—and explains the consequences of an incorrect understanding of who we are.

10-10:50 AM – Breakout #1 Texts & Hermeneutics, (Christopher)

Homosexuality: Texts and Hermeneutics - There are six passages in Scripture which touch on the issue of homosexuality and condemn same-sex relationships. And yet some claim they do not. So what does the Bible really say? With a deep understanding of Hebrew, Greek, contextual issues, and biblical exegesis, Dr. Christopher Yuan presents and analyzes the gay-affirming interpretations of these Old Testament and New Testament passages with clarity and compassion.

10-10:50 AM – Breakout #2 Ordinary Parents: Extraordinary Father, (Angela/Leon video)

Parents often have nowhere to turn when prodigals break their hearts. What will help their child? And what will help parents to persevere? Having survived the difficult years with their own prodigal son, Leon and Angela Yuan have learned from their own personal experience and share, via video, practical steps on what helped them through the prodigal years—which can benefit any parent of any child of any age.

11 AM-Noon – Sex, Gender, Image of God, 60min (Christopher)

He Made Them Male and Female: Sex, Gender, and the Imago Dei - As we grapple to wrap our minds around sexual identity, transgenderism has taken many by surprise. Is gender a social construct? Do our bodies matter? Dr. Christopher Yuan explains pertinent terminology and categories as the first step to better understand gender identity.

LUNCH BREAK: Noon-1 PM (box lunches available)

1-2:30 PM – Holy Sexuality & the Gospel, 60min + Q&A, 30min (Christopher)

Holy Sexuality and the Gospel - We all know someone who identifies as gay, lesbian, or bisexual. How can Christians better share Jesus with our loved ones and friends in the LGB community? What have we gotten wrong? How can we improve? Without any compromise of truth or grace, Dr. Christopher Yuan combines his life experiences and his theological and biblical language background to teach a fully gospel-centric approach. This will help us to think right (orthodoxy) before doing right (orthopraxy).
