Life Group Guide

For the week of January 4, 2026

Today we wrap up reading and preaching through the New Testament with the Bible Recap: New Testament reading plan in the YouVersion app. We hope that you are already planning to continue with us as we read the Old Testament in the first nine months of 2026. May God bless us as a church as we read His Word together over the next year!

1. “He who has an ear, let him hear what the Spirit says to the churches.” In each of these letters, God has something to say to us. How do you respond when God speaks to you from his Word in this way?
2. What does Christ say about himself as he speaks to the churches?
3. To five of the churches he gives a commendation, to five a rebuke and a consequence. How should we respond to those kinds of words from the Lord?
4. What is the main point of these letters? Why does Jesus give John these seven letters to the seven churches?
