

Life Group Guide

For the week of February 22, 2026

God is always teaching us through his Word, the Bible. As we read through the Old Testament in 2026, we invite you to read along in the YouVersion app through The Bible Recap reading plan. Our sermons will follow along with the readings. May God bless us as we read his Word together as a church family!

1. What is your first response when you hear God's call to you as a follower of God, be holy as I am holy?

2. When we are holy we are set apart as different from others. We are called to live in a different and special way. What sets you apart as different from other people who don't know God?

3. We cannot be holy on our own, without the work of God in our lives. How does God help and enable us to be holy?

4. Sanctification is the process of being made more and more like God, holy. According to Heb. 10:14, God has made us holy and also we are being made more and more holy. In what areas of your life is God making you more and more like him?

ONE THING

Come near to God (**steps of obedience**)
and he will come near to you (**promised presence**).

– James 4:8 (NIV)
