Life Group Guide

For the week of March 8, 2026

God is always teaching us through his Word, the Bible. As we read through the Old Testament in 2026, we invite you to read along in the YouVersion app through The Bible Recap reading plan. Our sermons will follow along with the readings. May God bless us as we read his Word together as a church family!

1. God's presence with us is a guarantee, as surely as he led the Israelites by the pillar of cloud and fire. When do you struggle knowing God is there? How are Psalm 23:4 or Isaiah 41:10 a helpful assurance for you?

2. Christian, God knows your name! In what ways is that a comfort to you? Read John 10:3-4. In what ways is God leading you as you read his word and listen to his voice?

3. It's hard to trust God, to take him at his word and surrender your will to his plan. In what areas are you having to do that today? Find another trusted believer and pray together about the concerns that are on your heart.
