

When Fear Replaces Faith

Scripture: Deuteronomy 1

1. Don't resist God's direction – vv. 19-25

2. Don't distort God's character – vv. 26-33

3. Don't delay trusting God – vv. 34-46

ONE THING

Fear causes us to resist God's direction,
distort God's character, and delay trusting God.
Don't let fear talk you out of what God is leading you into.

When I am afraid, I put my trust in you. – Psalm 56:3

Life Group Guide

For the week of March 15, 2026

God is always teaching us through his Word, the Bible. As we read through the Old Testament in 2026, we invite you to read along in the YouVersion app through The Bible Recap reading plan. Our sermons will follow along with the readings. May God bless us as we read his Word together as a church family!

1. Deuteronomy is Moses last words to the people before they enter the promised land without him. What does Moses begin with here in chapter 1?

2. Why does Moses begin by recounting what happened almost 40 years prior? What was he trying to teach the people who remained after their parents died in the wilderness?

3. Read Dt. 1:26-32. Why did they not enter the land? When do you struggle most to believe God?

4. What was their penalty for rebelling? How does this record of past sin help you to not do the same thing?
