Life Group Guide

For the week of March 22, 2026

God is always teaching us through his Word, the Bible. As we read through the Old Testament in 2026, we invite you to read along in the YouVersion app through The Bible Recap reading plan. Our sermons will follow along with the readings. May God bless us as we read his Word together as a church family!

1. Deuteronomy 6:4-9 is one of the most important passages in the Bible. What does verse 4 teach us about God?
2. What does it mean to love God as verse 5-6 command?
3. If you are a Christian parent, read Deuteronomy 6:7-9 and 11:18-21. According to these verses, what should you, as a Christian parent or grandparent, teach your children? How often should you do this? What steps are you presently taking to do this? What steps can you take?
4. How can you make God's Word an ever-present reminder in every aspect of your life, morning and night, at home or out in the world?
