

# Frequently Asked Questions

## *Why this trip matters?*

The value and reason that we are going is to help unite our graduates and our college and young adult ministry. Graduating seniors are transitioning to the next phase of life and our desire is to unite them with others their age. We want to create a college and young adult ministry that is focused on discipleship, evangelism, and passionately seeking hard after Jesus our savior. That is why we want to get away for a few days to help create conversations with multiple phases in order to unite around discipleship in the Fargo Moorhead area. Helping the transition for our graduates into the next ministry so they can make much of Christ.
