Life Group Guide

For the week of April 26, 2026

God is always teaching us through his Word, the Bible. As we read through the Old Testament in 2026, we invite you to read along in the YouVersion app through The Bible Recap reading plan. Our sermons will follow along with the readings. May God bless us as we read his Word together as a church family!

1. When you think of the word refuge, as it is used in Ps. 91:2, what comes to your mind? How is God your refuge?
2. Verses 3-13 describe the ways in which God is our refuge. What are some of those ways God protects his people?
3. Verses 11-12 were misused by Satan in tempting Jesus. Satan tempted Jesus toward arrogance self-advantage (Matt. 4:6), rather than trusting God for strength for service. How can you trust God for help and not expect him to meet your every convenience?
4. Verses 14-16 are promises of love from God. How do these verses help you to hope in God more fully?
