Life Group Guide

For the week of June 14, 2026

God is always teaching us through his Word, the Bible. As we read through the Old Testament in 2026, we invite you to read along in the YouVersion app through The Bible Recap reading plan. Our sermons will follow along with the readings. May God bless us as we read his Word together as a church family!

1. God's sovereign control over the events of this world and our lives is often a mystery to us. As you read Prov. 16:1-9, what do you initially discern God is teaching us?

2. Both verses 1 & 9 say that we plan, and in the same sentence God sets things in order. Man proposes, God disposes. Look at 1 Kings 12, especially verse 24. How do man's actions and God's direction work together?

3. Read Jeremiah 10:23. How does God ultimately lead and direct our steps?

4. What did you learn from today's message?
