

When What You Have Isn't Enough. . . God Is

Scripture: 2 Kings 4:1-7

1. Need: God meets us in our desperation – v.1
2. Trust: God starts with what we already have – v.2
3. Obey: Faith acts before seeing – vv. 3-5
4. Overflow: God provides more than enough – vv. 6-7

ONE THING

Don't let tomorrow's worries keep you from today's obedience. God is responsible for the provision; you're responsible for the next step!

"So don't worry about these things, saying, 'What will we eat? What will we drink? What will we wear?' These things dominate the thoughts of unbelievers, but your heavenly Father already knows all your needs. Seek the Kingdom of God above all else, and live righteously, and he will give you everything you need. "So don't worry about tomorrow, for tomorrow will bring its own worries. Today's trouble is enough for today.

Life Group Guide

For the week of July 5, 2026

God is always teaching us through his Word, the Bible. As we read through the Old Testament in 2026, we invite you to read along in the YouVersion app through The Bible Recap reading plan. Our sermons will follow along with the readings. May God bless us as we read his Word together as a church family!

1. God is concerned with the normal issues of our life, according to 2 Kings 4:1-7. See Luke 12:22-34. What concerns do you need to bring to the Lord?
2. What did the widow do when she was in her need? How did she exercise faith?
3. In what ways do you need to trust the Lord?
4. God supports those who fear the Lord. Is the fear of the Lord the primary motivation in your life? How can you grow in your fear of the Lord?
