Life Group Guide

For the week of August 30, 2026

God is always teaching us through his Word, the Bible. As we read through the Old Testament in 2026, we invite you to read along in the YouVersion app through The Bible Recap reading plan. Our sermons will follow along with the readings. May God bless us as we read his Word together as a church family!

1. What is your view of good judgments and right justice? Do you support good laws being upheld and appropriate justice for the breaking of those laws?
2. Is God a just judge? Why is God judging Edom? (Edomites are descendants of Esau, and they did not help Judah and Jerusalem when Babylon invaded.)
3. What does God's judgment teach you about God's character and our sin?
4. What did you learn today that helps you to live differently as a result?
