Life Group Guide

For the week of September 6, 2026

God is always teaching us through his Word, the Bible. As we read through the Old Testament in 2026, we invite you to read along in the YouVersion app through The Bible Recap reading plan. Our sermons will follow along with the readings. May God bless us as we read his Word together as a church family!

1. As you read this passage and think about it initially, is it a difficult responsibility or an opportunity?
2. Is a righteous father responsible for his wicked son's sins (Ezekiel 18:5-13)? Is a righteous son responsible for his wicked father's sins (14-20)? Who is responsible for sins? Why?
3. What do you learn about God and his justice from the passage?
4. What does this passage teach you about how you respond to God and respond to your own sin? How did this sermon help you as you think about God and your sin?
