ONE THING

Change makes it different. Redemption makes it useful.

Life Group Guide

For the week of September 13, 2026

God is always teaching us through his Word, the Bible. As we read through the Old Testament in 2026, we invite you to read along in the YouVersion app through The Bible Recap reading plan. Our sermons will follow along with the readings. May God bless us as we read his Word together as a church family!

1. Read Ezekiel 36:22-32. This is the context for what he is saying in chapter 37. What does the Lord say he will do for his people in chapter 36?
2. Why a valley of dry bones? What is God saying to his people?
3. What was God wanting to remind the people about himself through this vision (see Ezekiel 37:6, 13-14)?
4. How does this vision point us toward Jesus Christ? Then, what does it say to us as an application?
