Life Group Guide

For the week of October 11, 2026

Do you ever struggle, wondering if Jesus is enough? In this series through the book of Colossians we hope that you will learn and be affirmed in the answer, YES, Jesus is enough!

1. How does the hope we have in heaven help you today (Remember, he is not talking about the activity of hoping, but rather what we hope for, heaven)?
2. How do circumstances, trials, difficulties affect your walk with God? What does God do and provide to enable you to walk in a manner that is worthy of Him?
3. Verse 12 tells us that God has “qualified” us or made us fit to share in his inheritance. How has God done that? In what ways does that encourage you as you seek to live the Christian life?

ONE THING

When Jesus is enough,

He changes what you hope in, how you walk, and how you live.

My old self has been crucified with Christ. It is no longer I who live, but Christ lives in me. So I live in this earthly body by trusting in the Son of God, who loved me and gave himself for me.

– Galatians 2:20 (NLT)
