*Do you ever struggle, wondering if Jesus is enough? In this series through the book of Colossians we hope that you will learn and be affirmed in the answer, YES, Jesus is enough! May God strengthen you as we study this letter together.*

1. Jesus reveals God to us. How does he do that (Col. 1:15)?
2. How does Paul describe how Jesus is supreme over creation in verses 15-17?
3. Jesus is also the Lord of redemption. Read verses 18-20. How do they describe Jesus as able to be the one who accomplishes redemption for us?
4. According to verses 21-23, what has Jesus actually done for us? How should we then live as a result of what Jesus has done?
