Life Group Guide

For the week of November 1, 2026

Do you ever struggle, wondering if Jesus is enough? In this series through the book of Colossians we hope that you will learn and be affirmed in the answer, YES, Jesus is enough! May God strengthen you as we study this letter together.

1. Why did you first trust Jesus as Lord? Think about it and consider how you can continue with the same connection to Jesus.

2. It is easy to allow your heart to be carried away from Christ by thinking that seems to be good but is not. In what ways can you guard your heart from being led astray?

3. Paul challenges us to live in the freedom that Jesus has obtained for us. What has Jesus done for you, according to Colossians 2:11-15? How does that help you to live in freedom?
