Help wanted

Do you or do you know someone who loves woodworking?

This summer, we will be installing new flooring and will need new bookshelves. So I am looking for someone to build us some. 10 ft wide by 7.5 ft high, with the bottom couple of shelves 1.4 ft deep and the rest of the upper shelving about 10 inches deep. And a small bookshelf about 2.5 feet wide by 7.5 ft high and 10 inches deep.

This would need to be installed by the 1st part of August.

If interested or would like more information, see Karen Riggins
