

Christ Over All || Week 5

Read **Colossians 2:6-15** and discuss the following.

- In your own words, summarize Paul's message to believers in v.6-7. How does one "walk in Him"? Why is it important to receive Jesus as both Savior and Lord?
- What type of philosophy is Paul warning about in verse 8? How can false thoughts and ideas make someone a prisoner? Have you ever been held captive by a false teaching or way of thinking? If so, describe its specific appeal.
- There are several reasons given in v.9-15 for us to resist false philosophies. List them out and discuss how each one displays Christ's sufficiency. How might one of these speak to a particular false teaching today? Explain.
- How can we stay centered on Christ? That is to ask, how can we best remind one another of what Jesus has accomplished through the cross? What are some things that personally help you remember your new reality and identity in being raised with Christ?
- How does this passage of Scripture most comfort and/or convict you personally?
