

New Beginnings Early Learning Center

Monthly Tuition Rates (per child):

\$200 - Two-Days A Week

\$275 - Three-Days A Week

Invoices are sent out on the 1st of each month and due by the 15th
(Exception: August payment is due by the first day of school)

School Year begins in August and ends in May, resulting in 10 monthly payments. Shorter months and holidays have been taken into account when determining rates; tuition is based on the number of days each school year, from August to May. The annual amount is divided into 10 equal payments.

We do not deduct for illness, snow days, or holidays. The reason for this policy is simple. We are not a profit-making organization and the staff's salaries have to be met whether your child attends or not.

Invoices/Payments

Tuition invoices will be sent via email, where you can pay them online from your phone or computer. We can also take cash, check, or card payments in the front office.

Invoices will be emailed out each month on the first, from our Wave account. **A late fee of \$10 will be added if payment is not received by the 15th of that month.** If you would like schedule automatic credit card payments each month, save your credit card details when you pay your first invoice and our billing system will update your account to charge your card when the next month's invoice goes out.

If you have any questions about payments, please contact the Director or the front office.
