

RAISE THE ROOF

"Each one must give as he has decided in his heart, not reluctantly or under compulsion, for God loves a cheerful giver."

2 Corinthians 9:7

A Message From Pastor Matt

The Lord has blessed us with a great place and space for ministry. I'm excited for the opportunity we have to work together to meet this need, both for the sake of making disciples in this age and positioning the next generation to fruitfully run further, faster, and more faithfully. Thank you for your prayerful partnership.

May we "raise the roof" and make much of Him in the process.

"Then the people rejoiced because they had given willingly, for with a whole heart they had offered freely to the Lord."

1 Chronicles 29:9a

A Glimpse at the Past:

In 1994, a new church was formed called New Beginnings and began meeting in a downtown Bixby dress shop. God blessed the church with growth and the opportunity to purchase 17 acres in our current location with the vision of some day having their own facilities!

2003 Phase I was completed and New Beginnings Church moved into the facility on Easter Sunday

2008 Phase II project involved a significant re-configuration of existing space

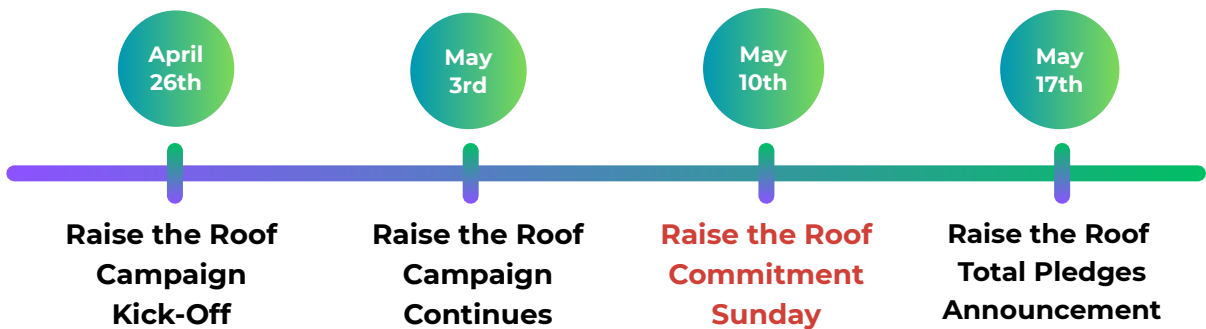

2010 Phase III doubled building space and parking to the current footprint

Current Status:

The oldest section of our roof is over 20 years old and has numerous deficiencies. The newest section is approximately 16 years old and has similar issues. For many years, the focus was making repairs and maximizing the life of the roof.

A concentrated effort to schedule professionals to evaluate the roof has been ongoing since last year. All of the contractors recommended a full roofing system replacement.

Leadership proceeded meeting with contractors to allow them to present their products, obtain estimates, time involved, and warranty details.

WAYS TO GIVE

Please submit your pledge cards by May 10th so leadership can effectively budget for repairs.

FAQ:

Why Now? The roof has had significant issues for many years. Efforts to address those issues have been ongoing; however, after consulting with multiple roofing contractors, a new roofing system has become a necessity for this year.

How many estimates were reviewed prior to selecting a contractor? Three commercial roofing contractors submitted estimates. Staff and Elders researched and reviewed all three.

How long will I have to fulfill my pledge? Raise the Roof campaign will run for one year, May 2026 through May 2027.

When is the anticipated install date? Sometime this summer.

What will be done with funds raised beyond the goal? Any funds raised over \$350,000 will be used for upcoming building & grounds expenses such as drainage improvements, interior water damage, and replacing original HVAC units.
