up in a cloud

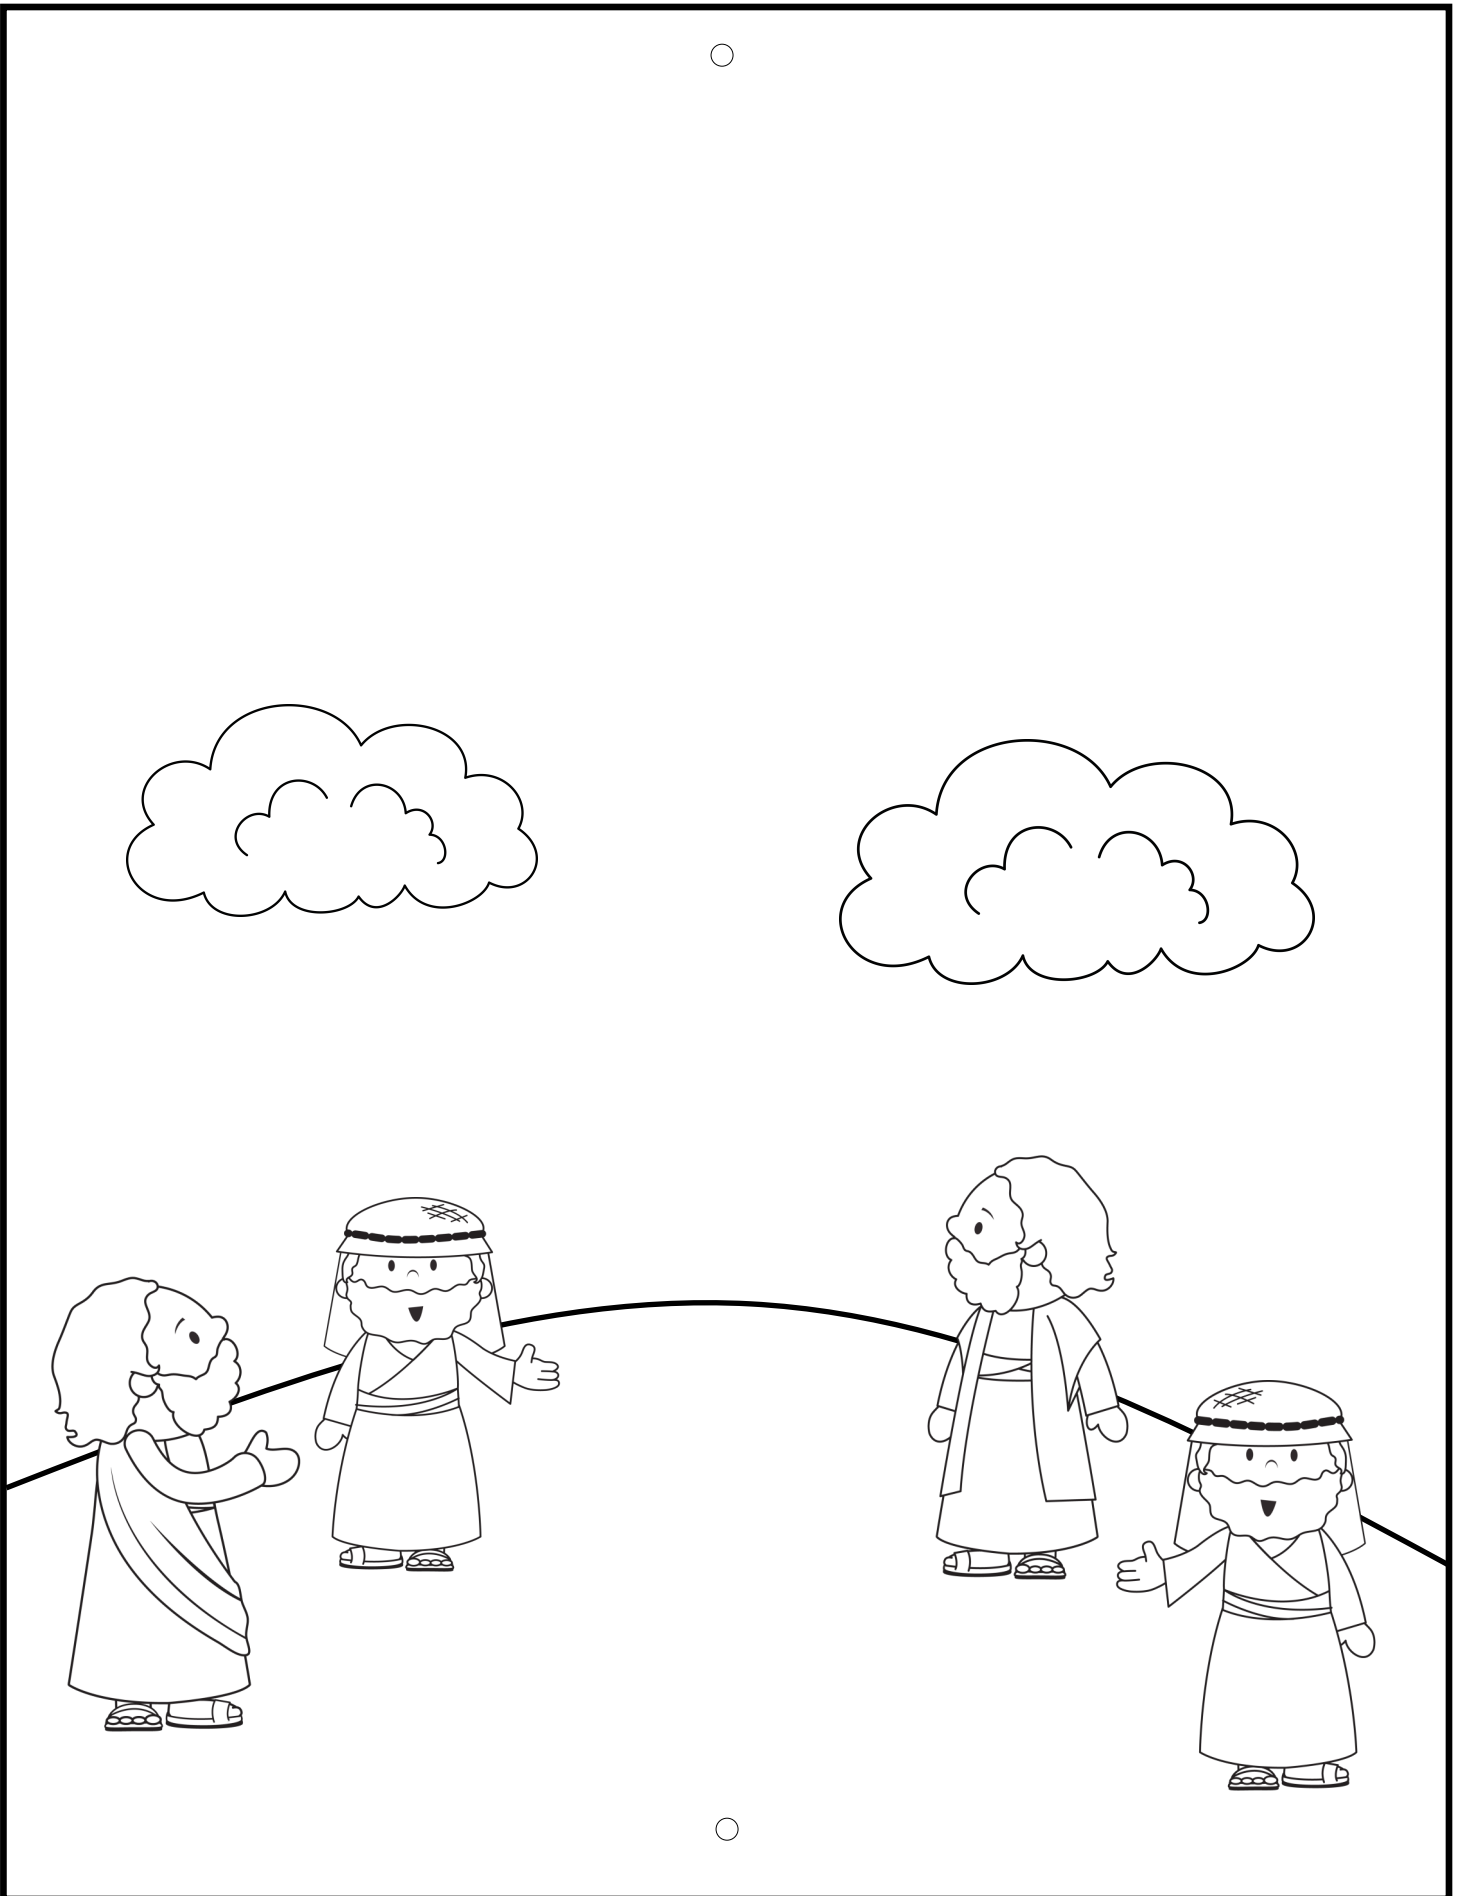

This craft helps the children remember and retell the story of Jesus' ascension. You will need:

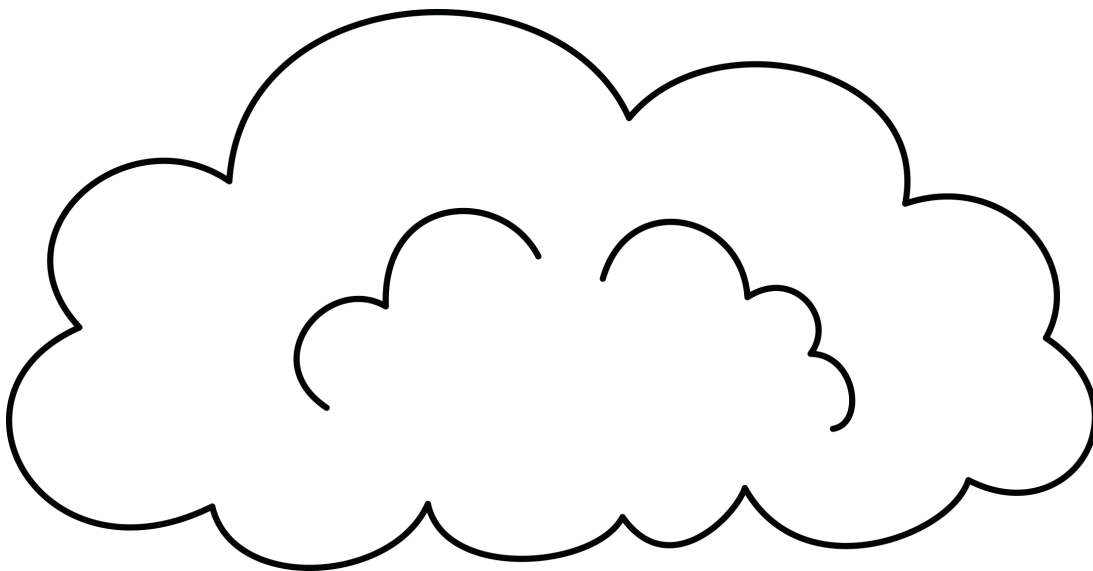

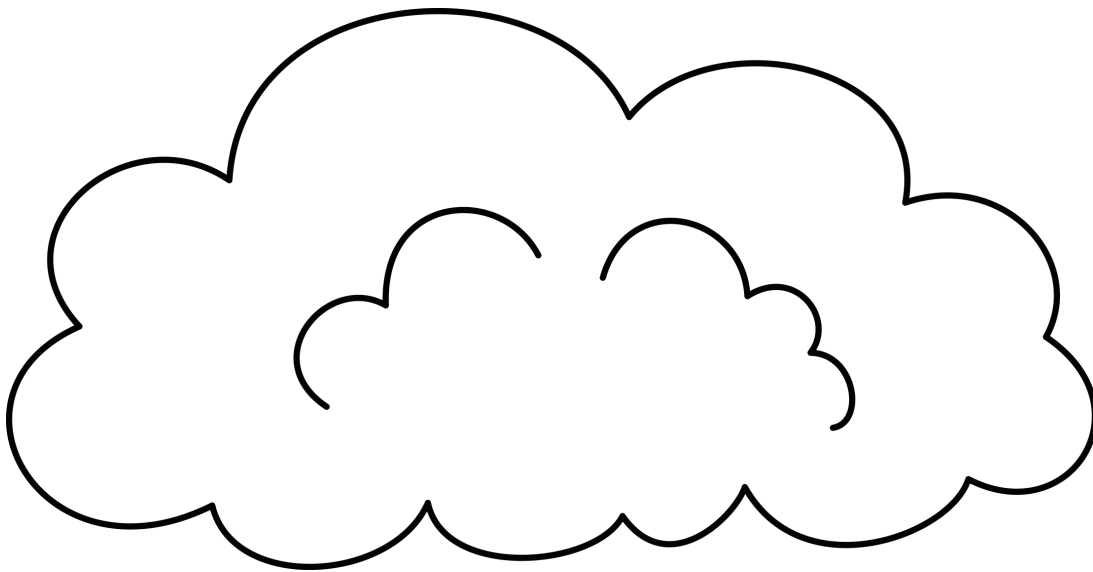

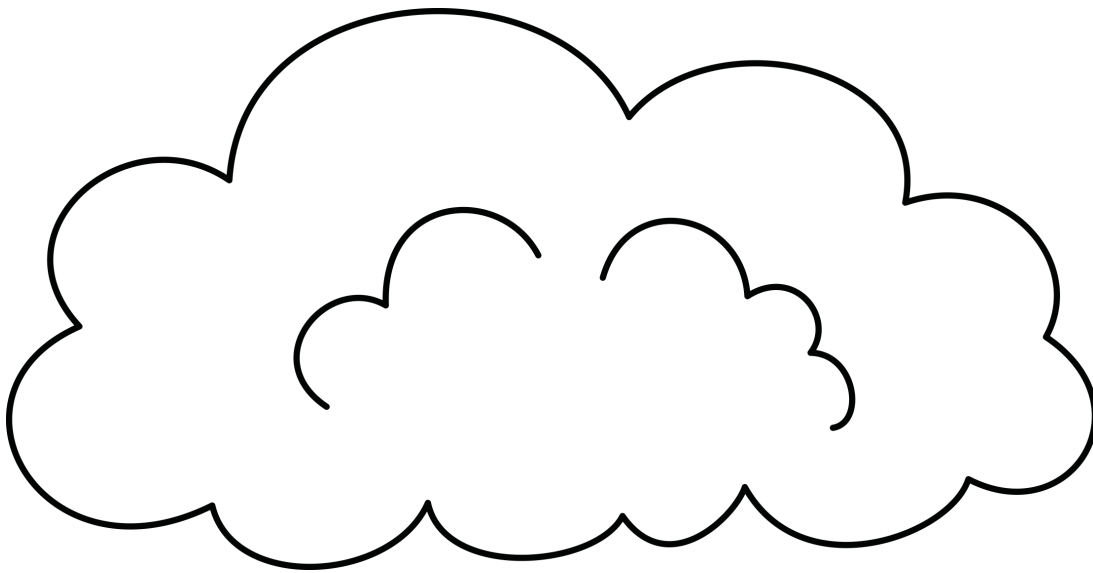

- scissors
- glue
- crayons
-

In class, children can color their page and glue cotton balls the clouds. Help them put glue on the opposite ends of the large cloud and attach it to their pages in a way that allows for Jesus to easily be pulled up behind it. Children pull the string in the back to move Jesus from standing on the ground with His disciples, to ascend up to heaven in a cloud.

He was taken up into a cloud while they were watching, and they could no longer see Him. Acts 1:9
