Third Heaven – The abode of _____ (heaven).

Traits of Modern Environmentalism:

- F _____
- P _____
- P _____

A Biblical Understanding of our Environment:

1. Jesus is the _____ of our environment.

2. Jesus is the _____ of our environment.

3. We've been given a mandate to _____.

4. We've been given a mandate to _____.

5. We've been given a mandate to _____.

Big Idea:

God created our atmosphere so that human life _____. Our mandate is to nurture and _____ for creation, knowing full well that God will _____ it until Jesus Christ returns.

Deep Dive -

Read and pray through **Psalm 147:1-20**. Start with verse 1. Read it and praise God, thanking Him for what you read in verse 1. Then go to verse 2, reading it and stopping to thank God for what you read in verse 2. Continue throughout entire chapter. Take your time! It might take several days to get through all 20 verses!

"Helping people take their next step toward Jesus Christ."
