Meet the Founders

José & Linda Recinos Founders and visionary leaders of Hogar Faro Kids, dedicated to providing protection, love, and hope to vulnerable children.

Their heart for ministry, compassion, and restoration led them to build a home where children can receive not only shelter, but also food, education, emotional support, and the opportunity to dream again. Today, they lead Hogar Faro Kids with faith, commitment, and a deep love for every child who walks through the doors. Their vision is to break cycles of hurt, provide healing, and give each child a chance at a brighter future

THE LORD WILL RECEIVE ME.
