Seeds of Joy

A new Christian nursery school

**Threes program (Sprouts)
beginning September 2020
9:30AM-12Noon
Tuesday, Wednesday and Thursday**

For children who turn three by September 1.

Students will learn to cooperate, share, acknowledge and respect the rights of others, and appreciate the feelings and needs of those around them through play and social interaction. Children will also incorporate colors, shapes, letters, numbers and STEM concepts into differentiated learning opportunities and work toward developing their gross and fine motor skills. Our environment and teachers will help to demonstrate how each child is a unique, special gift from God and each day will also open up opportunities to very naturally share the love of Jesus.

The children will also enjoy a music lesson with Ms. Debra and Chapel with either Pastor Ryan or Pastor Eric each week. In our large gross motor room and nature-focused playground space, children will play while increasing focus, balance and coordination. We will take special field trips and enjoy programs that will enhance learning and knowledge of real-world experiences. Children need to be working toward being potty trained to attend the Three-Year-Old Program as we will be taking potty trips each class meeting. Twelve children will be the maximum per class with one teacher and one aide.
