**Twos Program (Seeds),
beginning September 2020
9:30am -12Noon
Tuesdays and Thursdays**

For children who turn two between September 1 and February 1.

Our focus in the Seeds program is on socialization and play in a small group environment. Play experiences are a vital, fundamental learning step in your child's educational foundation, and the group setting will allow your child to learn and practice these all-important skills. Our environment and teachers will help to demonstrate how each child is a unique, special gift from God, and each day will also open up opportunities to very naturally share the love of Jesus.

Music and movement with Ms. Debra and Chapel with either Pastor Ryan or Pastor Eric will be incorporated into our schedule each week. Our typical schedule is free play, circle time, music and/or movement, stations/crafts and playground/ gross motor time. Ten children will be the maximum per class with one teacher and one aide.
