*Call To Worship

Leader: Weeds and seeds, growing together in the same field.

All: Each influences the other, and the world is complex.

Leader: What will we learn from the weeds around us?

All: Patience, discernment, and reliance on God's grace.

Leader: And what will we gain from the seeds God has planted within us?

All: Special gifts, waiting to be nurtured to wholeness.

Leader: In God's garden, love extends to both.

All: Let us worship the God of the harvest.

*Unison Prayer

Patient Lord, your seeds of love have already been sown in our midst. Help us to see the possibilities of hope all around. Nourish us so that we grow toward positive actions that bring about peace and justice, we pray. Amen.
