

Oldham
Lane Church
of Christ

If you want to help others and be of service to those in need, WE WANT TO TALK WITH YOU!

The purpose of OUR JOURNEY OF HOPE is to provide training to open-hearted individuals, who wish to be of service to their fellow people. Since we started this program at Oldham Lane Church of Christ last year.

The FREE training provides the biblical, intellectual and practical foundation for performing cancer care ministry. After the training the participants are commissioned to begin ministering, as they now have the unique insights both into the disease and into God's word.

The impact is leaving cancer patients and their caregivers with courage, strength, dignity and hope for the future – and God's plan.

This HOPE is fulfilling one of those unique needs and challenges.

The need to feel Hope.

So if you're interested in joining the ranks of caregiver through this amazing program/ministry, please, send us a message at the bottom of this screen, and we'll get back to you immediately.

“And the King will say, “I tell you the truth, when you did it to one of the least of these my brothers and sisters, you were doing it to me!” Matthew 25:40

If you want to get involved or feel the need to help financially please contact James or Teri Boone and we would be glad to setup a time to visit with you about how we can help.
