We Want To Work With Churches And Groups In Our Community And the Big Country!

Churches are hubs of Community and we pride ourselves on working with the communities with a comprehensive training to show the biblical way of being a service to those in need of help. If you believe this would be interesting to your church members we'd love to hear from you.

If you would like to host a training for your church....

We are here at Oldham Lane Church of Christ. In working with Our Journey of Hope Cancer Care Ministry Team, we try to make the process as easy for everyone involved. Our educated Trainer (James & Teri Boone) is glad to come and teach your church through an 8-10-Week Cycle (Approximately 1-90 Minute Session a week). Where they learn how to properly communicate, what to say, and how to align their own spirits to better be of service to those in need. We feel compelled at Oldham Lane Church of Christ to follow Jesus Christ example of seeking and saving the lost. Where there is discord, we bring harmony? Where there is inaccuracy, we bring truth? Where there is doubt, we bring faith? And where there is despair, we bring hope, courage and compassion.
