

Oldham
Lane Church
of Christ

Support is Necessary and you deserve all the help you can get. WE ARE HERE TO PROVIDE THAT HELP.

From the Desk of Our Journey of Hope

February 5, 2020

Over the last six years, it became very apparent to both myself and my wife that people diagnosed with cancer have unique needs and challenges. Over those past six years we have helped dozens of people however, we felt compelled to do more. During one of our initial visits to Houses for Healing, back in 2019, visiting with Brian Massey we spoke about our personal journey. During this conversation God was definitely present. Brian shared with us his dream of a couple heading up this mission and developing a program within our church to facilitate giving HOPE to cancer patients in difficult times. So, we were extremely excited when we heard about the Our Journey of Hope program.

Our Journey of Hopes Provides ministry leaders with the tools, training, and support to raise up cancer care ministries in their churches and communities. The purpose of Our Journey of Hope is to provide training to open-hearted individuals, who wish to be of service to their fellow people. Since we started this program at Oldham Lane Church of Christ last year we now have 20+ people from our church community that are available to reach out and support people with cancer. The training provides the biblical, intellectual and practical foundation for performing cancer care ministry.

If you are a cancer patient and have no family support, church help or support of friends **we are here for you.** Even if you have some of these support mechanisms and need a little bit more....**we're here for you.** **Please contact us we are here and ready to stand in the gap of those in need no matter your social status, financial abilities, religious affiliation or any other hurdles you can think of OLCOC/OJOH is READY!**

Our Mission Statement says it all.

MISSION STATEMENT:

To reach out to those whose life is, or has been affected by CANCER. To provide Hope, Encouragement and Compassion to Cancer Patients & their loved ones.

In Christ,

James & Teri Boone
