

YOU CAN MAKE A Difference

1

Start Where You Are Now.

The world cannot survive without good Samaritans. The world needs me the world needs us.

- ▶ You don't travel to travel far (to other countries) to do good.
- ▶ You can do good work in your position.

2

Return a Favor

Who are you to take and not give back? Remember when someone helped you?

- ▶ God blesses the difference maker—"the merciful."
- ▶ You will be blessed for extending mercy and compassion to others.
- ▶ The smallest act of kindness will be rewarded.

3

Do Your Best

People who "didn't start out right," can make a big difference. God give second chances.

- ▶ Don't disqualify yourself from doing something great because of your past sins.
- ▶ God uses ordinary people to do extraordinary things.
- ▶ Lots of people in the Bible were or felt they were qualified. Example, Moses, David.
