## READING PLAN

As you participate in the practice of reading the scriptures daily over the next few weeks, we pray that you would encounter Jesus through the words of the scriptures. That you, being rooted and established in love, have power, together with all the Lord's holy people, to grasp how wide and long, and high and deep is the love of Christ. We pray God would strengthen you, empower you, lead you and refresh your mind, body, and soul as we take this journey together.

**As you prepare to engage the scriptures: Please consider the steps below to help guide your time reading the verses outlined below.**

1. Find a place where you can encounter God. Take a few moments to quiet yourself, focusing your attention on Jesus. Invite the Holy Spirit to guide your time.
2. Slowly read through the passage for the day, allowing the words to wash over you. Once you have read the passage, pause and reflect.
3. Reread the passage a second time, as you do begin to meditate on it. What comes to mind and how does it make you feel? What do you think God is trying to reveal to you through this verse? Careful not to read into or project your thoughts on the verse, rather allow God to speak to your heart and mind.
4. Think about how you might be able to apply what you have read or what God has impressed on your heart into your day. Write down one thing you are going to try to live out.
5. Spend a few moments responding to God in prayer. Tell Him how you feel, encouraged, challenged, or comforted by.
