

a season of prayer and fasting

CENTREPOINT'S PRAYER REQUESTS 2026

1. Pray for our church as we work for true community. Pray that we would continue to grow together as family. Pray that God would show each of us ways to step into greater community.
2. Pray for those in our church family who are struggling with or affected by addiction. Pray that Jesus would break their chains and bring lasting freedom. May his light shine in the darkness.
3. Pray for wisdom and provision as we continue to pursue building accessibility. Pray for the right plans and people to come together as we continue to make our building functional.

*...all the believers lifted their voices together in prayer to God..
ACTS 4:24*

PERSONAL PRAYER REQUESTS:

you are invited to pray the first two prayer points alongside us

1. Pray for your personal apprenticeship to Jesus. Spend time listening to Jesus, asking what steps he might be calling you to take as you follow him.
2. As we move through our sermon series, The Humility of Jesus, pray that you would reflect Jesus in this area. What practical steps is Jesus asking you to take to grow in humility?
3. What do you need from Jesus in this season?
