

# USING THE BIBLE APP

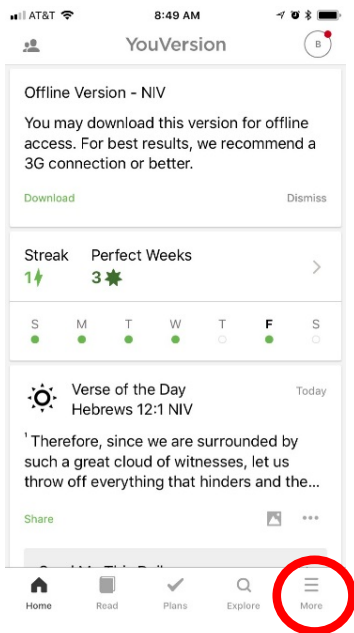

Download the YouVersion Bible App from your App Store

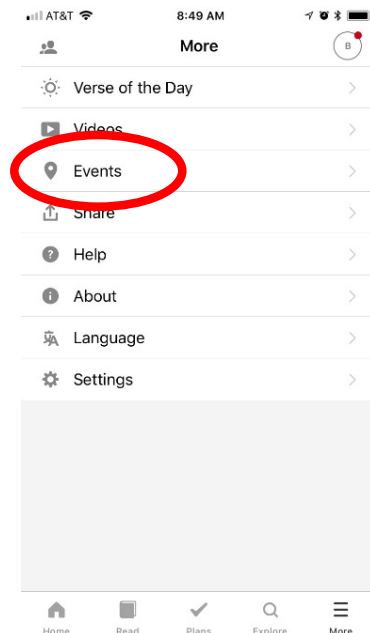

- Read the Bible or let audio versions read to you – over 1,750 versions of the Bible are available!
- Subscribe to plans (daily portions of Scripture paired with devotional, audio or video selections)
- Add bookmarks, highlights or personal or private notes to any verse in the Bible
- Compare versions of the Bible
- Easily share Bible verses on social media
- Discover live church events near you
- Add friends, helping you experience the Bible in community

To participate in Ebenezer events on the Bible App:

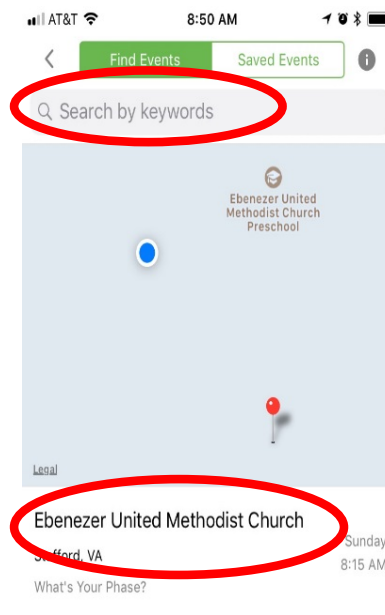

1. From the main screen select “more” in the bottom corner

2. From the next screen select “Events”

3. From the next screen either search for “Ebenezer” or allow location services to find us

4. Each Sunday, the Scripture reading and other information will be available
