## **FAQs – Ebenezer Church’s Summer Reading Program June 2 – August 11**

### **Q: Who is eligible for this program?**

A: Everyone! We only ask you read age appropriate books.

### **Q: Is there a required reading list?**

A: No. You choose the books and/or audio books you read, just be sure one of the books is from the church library. We have nearly 6,000 books in the Mary P. Kniseley Library including hundreds of new books.

### **Q: Can I turn in more than one reading log?**

A: Yes. You can submit as many reading logs you can complete. For every 10 books you read, you win a prize. Children can save, and turn in, five completed logs for one large prize instead of receiving five children’s prizes.

### **Q: How do I turn in my reading log and collect my prize?**

A: Our librarian will be at a table in the Gym between services on August 11 and August 18. Bring your completed log and select your prize on either of these days.

### **Q: I have a question, who should I contact?**

A: Our librarian, Jane Waddell, will be happy to answer any questions you may have. Feel free to contact her at [jtwaddell2010@gmail.com](mailto:jtwaddell2010@gmail.com).

Additional reading logs can be picked up in the library located on the second floor in the Ministry Center or downloaded from our website at [ebenezerumc.org/summer-reading](http://ebenezerumc.org/summer-reading).
