9/30 – M
10/7 – A
10/14- B
10/21 – K
10/28 – M, A, B, K

Please remember jackets for those chilly fall recess times! Thank you!

The Fantastic Frogs are excited to be hopping into October! This month we will be focusing on Mrs. Sara's and my favorite topic- your children! We will start the month off exploring our senses, talking about feelings, sharing, and kindness. We will be making self portraits, and create a "Guess Who?" class book. Towards the end of the month, we will be talking about Fall and exploring pumpkins by dissecting and creating pumpkin books.

On Monday October 21st, we will have our field trip to Braehead Farm in Fredericksburg. A parent or guardian must attend the field trip and provide transportation. We will meet at the farm at 9:30am. A permission form with more information will be sent home soon. Please have your child wear their red preschool shirt, comfortable shoes, and bring a bag lunch.

Another exciting event coming up is our Costume Parade on October 31st. This will take place immediately after drop off in the church gathering room. Please bring your child dressed in their costume that morning. We will take a group photo after the parade. If your child does not want to wear their costume all day, please meet us in the classroom to help them change into school clothes. If they keep their costume on, please make sure they can easily use the restroom and play in it. Please no scary costumes, weapons, or masks. After the costume parade the Frogs will return to the classroom for a Pumpkin Pancake Celebration.
