Then Return to Hive

**12/20** Polar Express Day  
Wear PJ's (Kids only)

**12/23-1/6** NO SCHOOL  
Christmas Break

There is Magic in the Air this time of year with so much business and yet such JOY in the eyes of the Children. Mrs. Kelly and I are enjoying this time of wonder and the Beautiful Christmas Story.

We will be focusing on how God sent us Jesus-the Greatest gift of all. This is the true wonder and gift of the Christmas season. The 'Christmas' theme extends for the whole month as we learn about advent and the story of the very first Christmas.

*God has given us a son. ~Isaiah 9:6*

While there may not be many take home activities in the Red Bags these few weeks, please know your Bee is BUZZY crafting and creating. Mrs. Kelly and I look forward to hearing all the traditions and special moments your family enjoys this Holiday season.

We will learn about the **letters C and E**. Thank you again for all the wonderful items in the share bags. Please join us in **the Sanctuary for our Christmas show on Monday, December 16<sup>th</sup> at 9:15am**. After the show you are invited back to the Bees Classroom for light refreshments. We will have a surprise visit to see a Jolly Old Man with a long white beard, dressed in red...Ho! Ho! Ho!

We will have a **"Polar Express Party" on Friday, December 20<sup>th</sup>**. This party is just for the children. You probably are familiar with 'The Polar Express' story, written by Chris Van Allsburg, or perhaps the wonderful movie adaptation. Just like the children in the story, we ask the children to please **wear their pajamas to school for our party**. We will pretend we are part of the adventures as we sit and listen to the story and the sounds of the train while drinking hot cocoa and eating cookies!

In the spirit of giving, the preschool will be participating in the **Angel tree** sponsored by the church. Information was emailed out to parents.

With Love,  
Ms. Kim and Ms. Kelly
