

MIDDLE SCHOOL PLUNGE

2020 – 2021 PLAN

Plunge meets on Wednesday nights in the chapel from 6:30 to 8:00 PM. Videos, games, small group discussion, relevant teaching, and other elements make this a very dynamic and fun experience. Plunge is the primary event for discipling and connecting middle schoolers at LifeSpring so do all you can to make it a priority on Wednesday nights!

Our current plan for meeting is that we will be meeting in person as long as the Bellevue school district is continuing to have students into school. If that changes we will re-evaluate ministry going forward. Meeting in person is the ideal venue for discipleship and so we will be making precautions to keep our environment as safe as it can be.

The backbone of Middle School Plunge are the conversations and intimacy students can experience in their small group discussion time. Chairs will be spaced out as much as possible and be around large round 6 foot tables. However, due to the nature of small group discussions, it simply isn't possible to have 6 feet of space between every student during these times.

Therefore, in order to be able to have small groups and still keep the safety of all students a priority, **we ask that all students wear a mask while at Middle School Plunge.** By the way, every student that comes to Plunge will get a free custom MSM mask...

**MIDDLE
SCHOOL
PLUNGE!**
WED @ 6:30PM

Some precautions to take note of are...

- *We will do our very best to practice social distancing and safety by having no contact games and activities.*
- *Only pre-packaged snacks will be served.*
- *Couches will be off limits to deter from sitting too closely.*
- *Hand sanitizer stations are available at the entrance.*
- *All surfaces will be cleaned prior to Plunge each week.*
- *We will be reminding students to not congregate closely and have no physical contact with others.*
- *If you have special needs or requests for you student, please let us know so we can make it a safe and comfortable place for them to join us.*
