

Biography
For Cordell W Bullis
LSC Board Candidate

Family: I am married to Carol, my wife of almost 50 years (August 14th) and we have three adult children married to wonderful Christian spouses. We have 7 grandchildren and enjoy having them close by in the area. We are blessed to have my mother, at 90 ½ years of age, living in Ravenna, Nebraska.

Neighborhood and City of residence: We live in Pilgrims Landing in Bellevue, NE, one mile directly East of LifeSpring Church

Occupation: I am retired from 23+ years in the Air Force as a health services administrator. Other positions have included HS business teacher, several contract positions in health care management, property management, health systems administration, US Census enumerator, and Lowe's team member.

Administrative/leadership skills to bring to the Board: I have had multiple opportunities in the AF to serve in administrative and leadership positions: Personnel and financial management including budgeting, facility management, and squadron commander. Post AF positions have been in health care analysis, program management, and several training opportunities.

Church service (past/present): I have been active in many churches as a teacher, LifeGroup leader, choir member and soloist, and supported general service needs of the church. I have served on the Elder Board of two churches and have been on worship teams. At LSC I have been a member of the Finance Committee and the Building Implementation Group. We have hosted a LifeGroup in our home for many years and supported the church in a number of volunteer activities.

Years as a Christ-follower: My wife was instrumental in leading me to ask Jesus to be my Lord and Savior when I was a junior in high school. Over those 53 years I have grown as a Christian. God's grace has been evident in my life as I personally reflect on growing in the faith.

Length of time at LSC: We joined the church at the end of 2005.

Current Worship Service at LSC: Since we have LifeGroup at our house (pre-COVID-19), we usually attend the 11:00 service.

Short statement to summarize why you feel led to serve on the Board: When approached to accept the Board nomination, I asked several church members for counsel. They have all expressed their confidence that I have the background, leadership, and interpersonal skills to be part of the board. Through my previous experience in church leadership and service, I feel prepared to take on this new role as member of the Board.
