The pastors and the church board believe that we can operate in our buildings safely and responsibly—following guidelines and social distancing procedures.

**Here are some basics before you read the FAQ's on the following page.**

## QUICK FACTS:

- ❖ Worship gatherings will last about an hour to provide time for sanitizing.
- ❖ Communion is observed with individual, pre-packaged kits.
- ❖ Entrance into the building is only through the main lobby on the west side of our campus. Other doors will remain locked. You may park in any lot, however, please respect handicapped and guest designated parking spots.
- ❖ Masks will not be mandatory, however, they are suggested.
- ❖ The north section of the Worship Center is reserved as an option for those who wear masks for the entire service. It is a "Mask Required" section.

## Now, the "No's:"

- ❖ No coffee service. No drinking fountains, however there will be water bottles available in the hallway.
- ❖ No passing the offering plates, however you may leave your offering in the collection plates on the tables in the back of the Worship Center.
